OSWEGO SENIOR AND COMMUNITY CENTER OPENS FOR PROGRAMMING AND ACTIVITIES JULY 5, 2022!

OSCC Staff and Board of Directors are so excited to welcome you to your new building!

We have completed code updates and improvements to the building for your safety. Many of our current activities are scheduled in our new building, while others will be transitioned as we move forward. Please look at our Newsletter or on our website https://oswegoseniorcenter.org/ to confirm the location of your activity. Our library and gift shop are getting stocked. We will be adding new programs and classes with our expanded space! The elevator has not been resolved at this time, so it is necessary to enter the building on the level of your class as the stairs are not approved for guest use. Everyone is welcome to go between levels, just use the outside entrances. Come and enjoy your new OSCC home!

GIFT SHOP IS COMING!

You will be amazed with our new space for the OSCC Gift Shop! We are asking for your donations - One person’s discard is another person’s treasure! Slightly used and new household décor items, jewelry, gently used purses, glassware and other smaller kitchen items are appreciated. Bring items by anytime we are open!

BOOK DRIVE

New great space for browsing your favorite authors! Help us stock our book shelves with all those books you have read over the past few years. We welcome your donations anytime!

MEMBERSHIP ANNOUNCEMENT - HELP BUILD OUR FUTURE!

OSCC’S annual Membership Program will begin September 1, 2022. Your Membership fee will support the daily operations of OSCC and grow our programming to meet the needs of our community. There is no residency or age restriction to become a member. Complete Membership details will be in our August newsletter and posted on our website.

Help us Ramp Up our Building and Services
We are all very excited to begin programming in our
new spacious facility! Even though we have recently
obtained occupancy, OSCC is in the process of costly
renovation and remodeling to meet ADA requirements
and make our building fully accessible. As a condition of
occupancy, a rear exterior ramp and automatic doors
costing $15,000 must be installed by October, and an
accessible public elevator, which will cost hundreds of
thousands of dollars, must be installed within the next
five years. We are asking for charitable support to fund
these and additional capital projects so that we can
expand impactful, educational programming and direct
care services – along with fully integrated recreational
and family support services – for seniors and disabled
individuals in our community. OSCC invites you to
invest in your community and make a positive impact
on the lives of others by supporting our mission and
helping us expand critical programs in a safe, accessible
environment. To donate, please mail your check to
Oswegoland Senior and Community Center, 3525 US
Route 34, Oswego, IL 60543. To make a gift online,
please visit https://oswegoseniorcenter.org/donate/
Thank you for considering OSCC as a recipient of your
generosity.

OSCC is a not-for-profit 501(c)(3) organization. Your contribution is
tax deductible to the extent allowed by the IRS. Tax ID: 26-3947440.
